H&I Year Review:

Good

- Training setup with Inner City
- Those that want to do H&I, have been provided a way to carry the message to the addict that still suffers.
- Strong showing first part of the year.

BAD

- MSDF orientation fell through
- County Facility fell through
- Do not have a facility that does not require a background check.
- Not enough volunteers.
- Not able to retain enough women volunteers to follow through with the commitment of MSDF services.
- Members signed up for Milwaukee Area H&I, wait a long of a time to get clearance to secured facilities, lose members because of the long wait, which they may not want to do facilities at the inner city.

This is my last month of serving as the H&I chairperson, I like to thank you all for allowing me to server, as I reflect back, my desire to serve has been trying because of the loss of some personnel that I really thought would be there until the end, but I understand that life goes on.

Budget

Depending on the chairperson this budget is depending on what literature is being placed in the facilities. For Basic Text and IP's only, suggested working budget is approximately 1000.00 a year.

Late year with spent 909.00 on literature, \$300.00 of that went to Inner City Area H&I in the form of literature.

\$500.00 for Jail House Rock expense:

- 150 Rent
- 200 Food
- 150 – 200 DJ services

Milwaukee Area Groups should decide if Inner City could still request literature from the H&I committee.

Thank-You for allowing me to serve,

Tony H H&I Chairperson Milwaukee Area

Literature:

- Greg is still in the process of developing the literature budget for 2011.
- Greg will be stepping down from his position in the near future. Thanks for your committed service Greg!

Thanksgiving Workgroup:

- Corey L. reported on the Thanksgiving Day NA Dinner for 2010.
- 727.00 dollars was spent on food and supplies. 150.00 dollars was given to the facility for hosting the function.
- Several homeless people from Milwaukee had attended the NA Thanksgiving Dinner as a result of a call that was placed to NA from the Mayor's office.
- Thanksgiving Day NA Dinner will be held at the same place in 2011.
- Flyers for this function will be dispersed much earlier in the year in an attempt to increase attendance. Nice job Corey!

Public Relations:

Mark H.

- This community contact work group established of loyal members was able to attend multiple conferences to establish our public relations presence and gain contacts. We were able to contact several agencies. We were also able to send out many mailings with literature packets, contact information, and website information. We also participated in a presentation in conjunction with H & I to gain admittance into MSDF.
- A public relations workshop at Jailhouse Rock was extremely successful.
- We have a number of different ideas to expand our efforts for 2011.
- We did receive some contacts which resulted in possible public relations events through the web site and the info line.
- We encourage everyone to contact pr@namilwaukee.org

No nominations for trusted servant's position.
