## FUN WITH FLAGS!

The MWASC service body is hosting a capture the flag contest for the Milwaukee-Waukesha area groups of Narcotics Anonymous! The goal is to promote unity in our area all while having fun at the same time. To register your group and for upcoming contest details, please request to join our Facebook group "MWASC Fun With Flags" or get in touch with the contacts listed below!

The contest starts 3/13/2022 and we will have supplies for your group to create a basic flag. In the meantime, you can create your own group flag if you so choose. The only requirement is that it have your group name on it. Every month the contest will restart and the group with the most flags will win a prize and bragging rights!
